Dear Mr. Schnepf:

We have completed the Flood Mitigation Assistance (FMA) Program review of the Plainfield Township Flood Mitigation Plan. The plan does meet the criteria for a Flood Mitigation Assistance Plan and is **approved**.

The approval of this plan ensures the continued availability of the Flood Mitigation Assistance Program. All requests for funding, however, will be evaluated individually according to the specific eligibility and other requirements of the particular program under which the application is submitted.

Please pass on our congratulations to the community on completing this significant action. If you or the community has any questions, please contact Jonathan (J.P.) Marsch at (312) 408-5226.

Sincerely,

  
Norbert Schwartz, Director  
Mitigation Division
