

WATER POLLUTION REPORT FORM

FOR PLAINFIELD TOWNSHIP RESIDENTS

Activities to Report.

As a resident during your everyday activities, if you observe anyone (landscapers, contractors, waste haulers, residents, etc.) dumping anything into a storm drain, report it. Storm drains lead directly to nearby stream and lakes, usually without any type of treatment. Plainfield Township is regulated by the state and federal governments, and we can be fined for failure to prevent and reduce the amount of pollutants entering the storm drain system. Motor vehicle fluids, paint and chemicals, yard waste, restaurant wastes, etc. should be disposed of properly. Only rainwater should enter a storm drain.

Description of Pollution.

Date(s) pollution was observed: _____

Location of observed pollution (address, street):

Name of person(s) or company involved (if known):

Please describe the pollution (include photographs if possible):

Date this report was submitted: _____

Your Contact Information (optional).
