

# Join us for barrels and brews!

Stormwater is the leading source of water pollution in West Michigan. The average rain barrel will keep 1,815 gallons of stormwater out of our lakes and rivers each year.

Join us at **Rockford Brewing Company**  
for our 2016 Rain Barrel Workshop  
series hosted by  
**Plainfield Charter Township:**

**Tuesdays at 6:30 on:**  
**April 12**  
**May 10**  
**June 21**  
**July 19**  
**August 16**

Workshops are \$30 per barrel.  
Includes barrel and components.  
Visit [rainbarrels.wmeac.org](http://rainbarrels.wmeac.org) to sign up

*\$1 off pints!*
