## PLAINFIELD CHARTER TOWNSHIP

January 21, 2014

### **Announcement of Change for Plumbing Permits and Inspections for Plainfield Charter Township**

Please be advised that the State of Michigan's Construction Code Commission recently granted approval for Plainfield Charter Township to administer and enforce the Michigan Plumbing Codes. Accordingly, **beginning Monday, January 27, 2014**, Plainfield Charter Township will be utilizing Cascade Township's inspection services for administering plumbing permits (both residential and commercial) and inspections.

The permit applications and payment of fees for all plumbing work shall be submitted directly to Cascade Township, as will coordination of inspections. With regard to inspections, please note that Cascade Township can provide plumbing inspections any day of the week with ample notice.

The State of Michigan will continue to perform inspections relating to permits they have issued prior to January 27, 2014, until they receive final approval.

Access to all permit applications will be available online through Plainfield and Cascade Townships' websites and/or by contacting them directly. Please use the following information to contact Cascade Township:

**Cascade Township Building Department/Inspection Services**  
**2865 Thornhills Avenue, SE**  
**Grand Rapids, MI 49546**  
**Ph: (616) 949-3765**  
**Fax: (616) 949-7271**

Furthermore, you will be able to view the results of any inspections for your projects via a link on Cascade Township's website.

We appreciate your anticipated cooperation during this transition. We believe that Cascade Township's inspection services will be very convenient and professional for you and your customers. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Bill Fischer
